God is Still Working!

As we continue to wade through this uncharted territory of COVID-19, it may seem like each day brings more questions than answers. We quietly go about our days in a modified state of existence, watching events cancelled, more restrictions implemented, states of emergencies declared, as parents set up homeschool classrooms at their kitchen tables. Our friends and loved ones are losing jobs, others are getting sick and many others are succumbing to this virus around the world.

Where is God through all of this?

Not only is God still present, he is still working on our behalf! Think back to the time when the Israelites were ready to give up hope, certain they were going to die as Pharaoh and his mighty army overtook them at the Red Sea. Then God showed up in all his glory and led them on dry land to the other side **so that** God *"will get glory over Pharaoh, his chariots, and his horsemen."* ([Exodus 14:18 ESV](#))

God is still working on our behalf even when it looks impossible to our finite minds. We serve the

Almighty God who fights for us and all we have to do is be silent. Silent in prayer and steadfast in our faith. (*[Ref: Exodus 14:14 ESV](#)*)

Let us hold onto the promise that God is working all things out as we are diligently and faithfully waiting on him in prayer and intentionally drawing closer to him.
